We draw our members from about 26 different villages in the surrounding countryside. That is partly why this website is a useful tool to share.

Wiltshire Scout County comprises of 8 Districts. Many of these Districts have their own web page on this site so you can get more information about them!

At the last census we provide Scouting for 4490 boys and girls. This consisted of 1233 Beaver Scouts, 1758 Cub Scouts, 1237 Scouts in 93 Groups. There are also, 247 Explorer Scouts and 15 members of the Scout Networks. To find out more about the different sections use the Menu at the top of this page.

Quite a few of the groups also now have websites and these can be found by looking in the Directory Pages.
